Primary Exhibition - Catalogued & Judged

- An entry fee of **£3.00** will be charged for each catalogued artwork submitted for the Primary Exhibition
- Members may submit up to **four artworks for primary exhibition display** (one of which may be held in reserve if necessary) which must **not** have been previously exhibited by the Society at the Annual Summer Exhibition held in Hornsea.
- **Framed** pictures and unframed canvases **must** be fitted with **D rings** and **cord** ready for hanging. In view of the fact that some paintings will be hung on the walls of the Seagull gallery at the bowls club, it would be best to use D-rings which are big enough to take the hooks of the hanging system
- Should **large work** be submitted, one will be hung and every effort to hang subsequent works will be made, dependent upon the space available. (Large is considered to be of such a size that it precludes any other work being displayed on the same display panel).
- All work must be **labelled** with **two labels**. One label on the back of the exhibit, the other **stringed label** is to **hang in front of the exhibit**.
- Both labels must state the **title** (plus acknowledgement of work copied if appropriate), **name, medium used, preferred trophy category and price**.
- To make production of the catalogue easier **please use the labels supplied with this pack**
- **This is a selling exhibition**. If you do not wish to sell your work, please indicate this by using **NFS** on your entry form and labels.

Unframed, Mounted work for the sales stand

- Members may also submit up to **four unframed but mounted works or thin canvas boards**, which may have been exhibited in previous years
- An entry fee of **£1.00** will be charged for each unframed but mounted or thin board submitted
- Each one must have a label with the **artist's name** (plus acknowledgement), **title and price** clearly indicated on the **back** of the picture.
- Any item which is a **print** **must have this clearly stated**.
- Due to space limitations **stretched canvases cannot** be accepted.
- **Please ensure you complete an entry form for the unframed, mounted work for the sales stand**

Insurance

PLEASE NOTE: Insurance against loss or damage **is the responsibility of the individual artist**. Every effort will be made by the Society to safeguard the works during the exhibition. Neither the Society nor custodians of the building accept responsibility for the safety of uncollected work.

The Society's public liability insurance covers the general public against injury from any of the exhibits or Society property. It stipulates that frames and fixings must be to a suitable standard. **The Society therefore reserves the right to refuse any entry on the grounds of it being unsafe to hang.**

Handing In Procedure

- There is **ONE** handing-in period on **SUNDAY 23rd JULY 2023** between **12noon and 1.30pm**. If you cannot make this, please find a friend willing to bring the artwork for you.
- There is plenty of parking at the Hornsea Indoor Bowls Club
- **BEFORE** bringing your artwork to the exhibition please ensure you have labelled them all correctly (*please see **page 6** for instructions on how to correctly label your work for the exhibition*).
- You will need to complete an entry form **BEFORE** you arrive. Please ensure that the information on all labels and the entry forms are identical. (*The Entry forms can be found on **page 7 & 8***)
- On arrival please place your artwork face down on the table so the label stuck on the back is showing - with the hanging label next to it on the back of the work. For unmounted work / thin boards again please place face down so the label is showing.
- The stewards will then check you have both labels the same for each piece submitted and that they match the information on the entry forms.
- Once your entry forms and labels have been checked you will then take your entry forms over to the payment desk to pay for your entries. **£3.00** per entry into the primary exhibition and **£1.00** per unframed but mounted work or thin canvas board.
- The stewards will take your artwork to the correct category section as indicated on the label (*you **MUST** state a category on your entry form and labels - please see **page 4** for trophy categories*).
- From **1.30pm** all artwork will be hung in the relevant category by the stewards ready for judging.

Trophy Award Categories

The trophy award categories are **based on the subject** of the artwork and not on the medium used. A brief outline of each category has been provided on **page 4** to help you decide which category your artwork should be entered into.

Any medium means Oil, Watercolour, Pastel, Acrylic, Textiles, Mixed Media, Metal, Wood, Clay, Glass etc However this DOES NOT include Photographs – These are not accepted in this exhibition.

Page 4 has a list of the 12 different Categories, please add the correct category to your labels.

Due to hanging restrictions any **3D work** must be entered into the **SCULP** category and cannot be accepted for any other category.
