

HORNSEA ART SOCIETY – 56th Annual Exhibition 2026

Entry Labels – Annual Summer Exhibition

Each entry requires **TWO** labels each - please stick one label to the back of the work and attach the other one with string (*to the hanging cord at the back of the artwork*) long enough so that it hangs at the front of the work (see page 6 of 'Exhibition – Information required for Entry' document for Labelling Instructions).

You MUST state which category you wish your artwork to be entered into. Please check the information in the exhibition information entitled **Trophy Categories** to ensure you select the correct category.
